

<For What It's Worth Buffalo Springfield>

There's something happening here
What it is ain't exactly clear
There's a man with a gun over there
Telling me I got to beware

<CHORUS>

**I think it's time we stop, children, what's that
sound
Everybody look what's going down**

There's battle lines being drawn
Nobody's right if everybody's wrong
Young people speaking their minds
Getting so much resistance from behind

<CHORUS>

What a field-day for the heat (oooh, oooh,
oooh)

Must have been a thousand people standing in
the street(oooh, oooh, oooh)

Singing songs and carrying signs(oooh, oooh,
oooh)

Mostly say, hooray for our side(oooh, oooh,
oooh)

<CHORUS>

Paranoia strikes deep

Into your life it will creep

It starts when you're always afraid

You step out of line, the man come and take
you away

<CHORUS>

<CHORUS>
