                        G
                               D>
There are stars in the southern sky
              G D>
           <C
Southward as you go
           < C

                                     D>
There is moonlight and moss in the trees
                <C
                           G
                              D>

                      G
                          D>
Like some lonesome child
          < C
                   G
                           D>
And I have loved you in a tame way
            <C
And I have loved you wild
