

<I Get UP 85>

<E D A>

I get up I get up Everyday

<E D A>

I get up I get up Anyway

<D E A D>

Got to take a lift for still we must endure

<E A D>

The trials that we face Oh the wars that we know

<E A D>

Patience give us virtue For The seeds we must sow

<E D A>

I get up I get up Everyday

<E D A>

I get up I get up Anyway

<D E A D>

See the light today Hey, you know we got to find a way

< E A D>

We been through a lot of shift Baby the race isn't for the swift

[E A D]

So smile with the sunrise There's a lot of life to live

<E D A>

I get up I get up Everyday

<E D A>

I get up I get up Anyway

[D E]

Been to the dark place

[A D E]

Surviving the hate It tries to bring you down

[A D]

Oh the world is just that way

[E]

And through the noise a whisper

[A D]

Arise and awake

< E D A>

I get up now I get up now Everyday

< E D A>

I get up I get up Anyways

<D>

When all the doors are closed

<E A>

There's only one thing to do

<D>

It always makes it hard

<EA>

Sometimes you got to break the rules

<D>

And no one else can walk

<EA>

In your shoes

<EDA>

I get up I get up Everyday

<EDA>

I get up I get up Anyway

<EDA>

I get up I get up Everyday

<EDA>

I get up I get up Anyway

<EDA>

I get up I get up Everyday

<EDA>

I get up I get up Anyway

<EDA>

I get up I get up Everyday

<EDA>

I get up I get up Anyway
