

<Midnight Hour chords by SDIB 85>

<A E>

I'd like to dedicate this song, to the Huku Lei-Lei

<F#m D>

My Best Friend Y'all

<A E F#m D x2>

<A E>

Remembering the time,

<F#m D>

when you would make me see

<A E>

and all I ever said,

[F#m D]

was why can't that be me?

<A E>

but I learned to trust in you my friend,

<F#m D>

more than anything,

<A E>

and thinking back to the summers on the
homestead

< F#m D>

when I first heard you sing

<A E>

After the midnight hour,

< F#m D>

you and I will fly together

<A E>

after the midnight hour,

< F#m D>

it will be just you, it will be just me

<A E>

I need to say I love you

<F#m D>

and I need to say I love you

<A E>

but I need to say I love you

<F#m D>

and I need to say I love you

<A E>

but I learned to trust in you my friend,

<F#m D>

more than anything,

<A E>

and thinking back to the summers on the
homestead

< F#m D>

when I first heard you sing

<A E>

After the midnight hour,

< F#m D >

you and I will fly together

<A E >

after the midnight hour,

< F#m D >

it will be just you, it will be just me

<LEAD SOLO A E F#m D x3 >

<A E >

After the midnight hour,

< F#m D >

you and I will fly together

<A E >

after the midnight hour,

< F#m D >

it will be just you, it will be just me

<A E >

I need to say I love you

<F#m D >
