

<Beautiful Day Josh Radin 89>

<Key: E Major] [Capo: 4>

<C F C>

I'm gonna wash the dust off my soul

<C F C>

I'm gonna listen to some rock n' roll

<C F C>

No cares, come what may

<Am F C>

I'm making a beautiful day

<C F C>

I'm gonna drive my car into the sea

<C F C>

Swim out far cause I believe

<C f C>

that the waves will wash the gray away

<Am F C>

I'm making a beautiful day

<Dm F (F/G F/A F/B)>

But let me hear you say

<Chorus>

<C G F C F C>

Oooh ooohh my my

<Am G>

I'm learning to fly

<C G F C>

Hey hey what's that you're saying

<F C Am F (F/G F/A F/B)>

Lets not forget we're alive

<C F C F>

<C F C>

Gonna climb that hill behind my house

<C F C>

See what this place is all about

<C>

Cause from above it all

<F C>

You can't help but say

<Am F C>

It's gonna be a beautiful day

[Am F C>

It's gonna be a beautiful day

<Dm F (F/G F/A)>

But let me hear you say

<Chorus>

<C G F C F C>

Oooh ooohh my my

<Am G>

I'm learning to fly

<C G F C>

Hey hey what's that you're saying

<F C Am F (F/G F/A F/B)>

Lets not forget we're alive

<Musical Interlude>

<C Em F C F C Am Am F F C F C F>

<C F C>

Gonna turn my enemies into friends

<C F C>

Was broken yet stronger when it mends

<C F C>

When we all come together this song will play

<Am F C>

We'll sing it's a beautiful day

[Am F C>

And it's gonna be my beautiful day

<Chorus>

<C G F C F C>

Oooh ooohh my my

<Am G>

I'm learning to fly

<C G F C>

Hey hey what's that you're saying

<F C Am F (F/G F/A F/B)>

Lets not forget we're alive
