<D-C-G- br Em-C 3x Em-A-C-G 110>

Been forty days since I don't know when
I just saw her with my best friend

**Do you know what I mean? Do you know,
know what I mean?**

I just saw her yesterday I just saw her,
asked her to stay

**Do you know what I mean?
Lord, Do you know what I mean?**

Her and Bobby were steppin out
Her and Bobby didn't know I found out

**Do you know what I mean?
Do you know, know what I mean?**

So I asked her if she still cared
She didn't hear me, she just stared

Do you know what I mean?
Lord, Do you know what I mean?

<Bridge->

And then she said

Lee you haven't loved me in nearly four years

You haven't noticed that I held back my tears

*And now you have, but it's really too late Better find
yourself another girl*

*Better find another girl
Better find uh, another place whoo*

She just left me yesterday
She just left me, had nothing to say
Do you know what I mean?
Oh, do you know what I mean?

She's a dandy, yes indeed
She's a dandy, but now she's free
Do you know what I mean?
Lord, do you know what I mean?

Been forty days since I don't know when
I just saw her with my best friend
Do you know what I mean?
Lord, do you know what I mean?

I just saw her yesterday
I just saw her, learn how to stay
Do you know what I mean?
Lord, Do you know what I mean?

Yeah, here comes it now..
