<No Woman No Cry - Bob Marley   95>

<C, C/Bb Am F, C F C (G A B) >< KEY CH - A A/Gb>
<F#m D/ A D A (E F#m G#)>

No woman, no cry <Repeat 4 times>

'Cause I remember when we used to sit
In the government yard in Trench town
Oba, ob-serving the hypocrites
As they would mingle with the good people we meet
Good friends we have had, oh good friends we've lost
along the way
In this bright future you can't forget your past
So dry your tears I say

<CHORUS>
No woman, no cry
No woman, no cry
Little darlin' don't shed no tears
No woman, no cry

Said, said, said I remember when we used to sit
In the government yard in trench town
And then Georgie would make the fire light
As it was Log wood burnin' through the night
Then we would cook corn meal porridge
Of which I'll share with you

My feet is my only carriage
So I've got to push on through
But while I'm gone...

Everything's gonna be alright < 8X>

So, no woman, no cry
No, no woman, no woman, no cry
Oh, little sister, don't shed no tears
No woman, no cry

<-LEAD->

<CHORUS> No woman, no woman, no woman, no cry

'Cause I remember when we used to sit
In the government yard in trench town
And then Georgie would make the fire light
As it was Log wood burnin' through the night
Then we would cook corn meal porridge
Of which I'll share with you

My feet is my only carriage
So I've got to push on through

<CHORUS>
